# Gothenburg Quality Agreement for Students' Mobility

- A step-by-step plan will be provided to teachers, tutors, students and partners.
- Students will be carefully selected by the sending institution.
- Selected students will apply at the hosting educational institution providing the following documents:
  - Letter of Application
  - Letter of motivation
  - Euro CV
- The sending institution has the obligation to prepare their outgoing students.
- Every recommended student will receive a guest access to the IMPAECT moodle course (IMPAECT Students' mobility)
- Basis for the learning agreement is the IMPAECT Unit on Intercultural Education following the ECVET principles
- The assessment form that was agreed upon in Gothenburg is used according to the principles agreed upon in Gothenburg.
- Students will be assessed by hosting institutions on the learning objectives that were agreed upon in the beginning together with the student.
- The hosting educational institution and the hosting work placement will collaborate in the assessment as well as during the entire mobility period
- In case challenges occur, sending and hosting institutions will increase communication in order to prevent severe problems
- The student in mobility has the right to be mentored once a day in a student centered setting, for example: ask questions, discuss cases, and reflect upon his/her own role.
